**TRIPLE CREEK METROPOLITAN DISTRICT NO. 2
2023 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

Triple Creek Metropolitan District No. 2 (District), a quasi-municipal corporation and political subdivision of the State of Colorado, was organized concurrently with Triple Creek Metropolitan District No. 1 (collectively, the Districts) by order and decree of the District Court for Weld County on November 19, 2018, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District's service area is located entirely within the City of Greeley, Weld County, Colorado.

The District was established to provide financing for the construction, installation and operation of public improvements, including streets and safety controls, park and recreation facilities, water, sanitary/storm sewer, transportation, mosquito control, fire protection, television relay and translation, security, and directional drilling.

On November 6, 2018, the District's voters authorized total indebtedness of \$253,000,000 for the above listed facilities. The District's voters also authorized total indebtedness of \$253,000,000 for debt refunding and \$23,000,000 each for debt related to operations and maintenance, intergovernmental agreements, special assessments, and contracts with private entities. Moreover, the election also approved an annual increase in property taxes of \$23,000,000 without limitation of rate, to pay the District's operation and maintenance costs.

The Consolidated Service Plan limits the aggregate amount of debt that may be issued by the Districts to \$23,000,000. In the future, the District may issue a portion or all of the remaining authorized but unissued general obligation debt for purposes of providing public improvements to support development as it occurs within the District's service area, however, as of the date of this budget, the amount and timing of any debt issuances is not determinable.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, as the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

**TRIPLE CREEK METROPOLITAN DISTRICT NO. 2
2023 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues – (continued)

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the mill levy adopted by the District.

Senate Bill 21-293 among other things, designates multi-family residential real property (defined generally, as property that is a multi-structure of four or more units) as a new subclass of residential real property. For tax collection year 2023, the assessment rate for single family residential property decreases to 6.95% from 7.15%. The rate for multifamily residential property, the newly created subclass, decreases to 6.80% from 7.15%. Agricultural and renewable energy production property decreases to 26.4% from 29.0%. Producing oil and gas remains at 87.5%. All other nonresidential property stays at 29%.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assume that the District's share will be equal to approximately 6% of the property taxes collected.

Expenditures

Intergovernmental expenditures - District No. 1

The District has entered into an intergovernmental agreement with District No. 1 whereby the net tax revenue collected by the District will be transferred to fund operations of the Districts. It is anticipated that the District will transfer \$882 to District No. 1 in 2023.

County Treasurer's Fees

County Treasurer's fees have been computed at 1.5% of property tax collections.

Debt and Leases

The District has no outstanding debt, nor any operating or capital leases.

Reserve

Emergency Reserve

The District has not provided for an Emergency Reserve fund equal to at least 3% of fiscal year spending for 2023, as defined under TABOR, because net tax revenue is anticipated to be transferred to District No. 1, which will provide the required reserve amount.
