**TRIPLE CREEK METROPOLITAN DISTRICT NO. 1  
2024 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided**

Triple Creek Metropolitan District No. 1 (District), a quasi-municipal corporation and political subdivision of the State of Colorado, was organized concurrently with Triple Creek Metropolitan District No. 2 (collectively, the Districts) by order and decree of the District Court for Weld County on November 19, 2018, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District's service area is located entirely within the City of Greeley, Weld County, Colorado.

The District was established to provide financing for the construction, installation and operations of public improvements, including streets and safety controls, park and recreation facilities, water, sanitary/storm sewer, transportation, mosquito control, fire protection, television relay and translation, security, and directional drilling.

On November 6, 2018, the District's voters authorized total indebtedness of \$253,000,000 for the above listed facilities. The District's voters also authorized total indebtedness of \$253,000,000 for debt refunding and \$23,000,000 each for debt related to operations and maintenance, intergovernmental agreements, special assessments, and contracts with private entities.

The Consolidated Service Plan limits the aggregate amount of debt that may be issued by the Districts to \$23,000,000. In the future, the District may issue a portion or all of the remaining authorized but unissued general obligation debt for purposes of providing public improvements to support development as it occurs within the District's service area, however, as of the date of this budget, the amount and timing of any debt issuances is not determinable.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting, in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

**Revenues**

**Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

**TRIPLE CREEK METROPOLITAN DISTRICT NO. 1  
2024 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Revenues – (continued)**

**Property Taxes - (continued)**

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

For property tax collection year 2024, SB22-238 and SB23B-001 set the assessment rates and actual value reductions as follows:

<b>Category</b>	<b>Rate</b>		<b>Category</b>	<b>Rate</b>	<b>Actual Value Reduction</b>	<b>Amount</b>
Single-Family Residential	6.70%		Agricultural Land	26.40%	Single-Family Residential	\$55,000
Multi-Family Residential	6.70%		Renewable Energy Land	26.40%	Multi-Family Residential	\$55,000
Commercial	27.90%		Vacant Land	27.90%	Commercial	\$30,000
Industrial	27.90%		Personal Property	27.90%	Industrial	\$30,000
Lodging	27.90%		State Assessed	27.90%	Lodging	\$30,000
			Oil & Gas Production	87.50%		

**Specific Ownership Taxes**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 4% of the property taxes collected by the General Fund.

**Interest Income**

Interest earned on the District's available funds has been estimated based on historical earnings.

**Developer Advance**

The District is in the development stage. The capital expenditures are expected to be funded by the Developer. Developer advances are recorded as revenue for budget purposes with an obligation for future repayment when the District is financially able to reimburse the Developer from bond proceeds and other legally available revenue.

**Intergovernmental revenues - District No. 2**

The District has entered into an intergovernmental agreement with District No. 2 whereby the net tax revenue collected by District No. 2 will be transferred to the District to fund operations of the Districts. It is anticipated that the District will receive \$851 from District No. 2 in 2024.
